

V-FORM® Full-Body Harness

Superior Comfort

The Qwik-Fit Buckle allows for a close, comfortable harness fit—eliminating the need for bulky chest straps or cumbersome buckles.

Increased Flexibility

The racing-style buckle creates an athletic cut, contouring the harness to the body and improving upper torso movement on the job.

Adjustability

Pull-down adjustment allows you to quickly and easily get the right fit that lasts throughout the work day.

Also Available

V-FORM with Quick-Connect Chest Buckle. See page 4 for ordering information.
