14" PVC - Coated Gloves

MGC005

Description

These Kosto work gloves are fully covered with a PVC coating which provides excellent ultra-resistant protection and good flexibility. They offer great resistance to oil and many chemicals to protect your hands and keep them dry, whatever the task at hand. The rough finish also allows for a better grip, perfect for handling objects in humid environments.

Material

- PVC coated 2 layers
- Jersey lining

Size

Universal

Care and washing instructions

A good way to keep gloves longer is to clean them regularly.

- Clean by hand with a mild and/or natural soap
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not use bleach

Sizing Chart

Size Kosto *			Universal
1	Width (hand)	cm	14,5
		po / in	5.7
2	Length (glove)	cm	35
		po / in	14

* The measurements are those of the product.
