

SHOWA TEMRES® 282-02

Waterproof yet breathable, this thermal insulated glove uses our state-of-the-art TEMRES® technology to keep hands warm, dry, and well-protected in cold climates for optimal comfort and performance. The dark color and durable rough surface hide grime to improve the longevity of the glove when working in outdoor or dirty environments. Its extended cuff with drawcord and side release buckle keep forearms protected from the cold and other hazards.

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
