Foam and Fleece Lined Split Leather and Cotton Gloves

MGG436

Description

Perfect for winter or work in cold settings, these Kosto work gloves are made of split leather and feature foam and fleece lining. The rigid safety cuff makes sure nothing slips through the glove, and the elastic wrist adds extra comfort.

The reinforced fingertips and very resistant stitches make them a sturdy option to protect your hands on the job.

Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.
