### Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Dry cleaning - best option to retain the natural oils of the leather
- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.

### Sizing Chart

		Size Kosto *				
		S	M	L	XI	
1	Width (hand)	cm	12	12.5	13	13.5
		po / in	4.7	4.9	5.1	5.3
2	Length (glove)	cm	17.5	18	18.5	19.5
		po / in	6.8	7	7.2	7.6

\* The measurements are those of the product.

\* A fitting is always recommended.
