### Buffalo Leather and Cotton Back Gloves with Fleece Lining

**MKG711**

#### Description

These Kosto work gloves are made of full-grain buffalo leather for durability, breathable cotton on the back and have a comfortable fleece liner that keeps hands warm when working outdoor. The fingertips of this glove are reinforced and the rigid safety cuff provides wrist protection and easy on/off with the snug-fitting elastic at wrist to increased comfort. Leather knuckle bands and heavy-duty stitching make this a rugged choice to protect your hands in winter work conditions.

### Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.
