Anti-Vibration Mechanical Goatskin Leather Half-Fingers Glove

MKS155

Description

These mechanical work gloves are a great option for workers who use power tools and have to carry out repetitive movements. They feature goatskin leather palms padded with foam at pressure points. Its breathable polyester 4 ways stretch back, and half-fingers provide comfort and dexterity. The elastic wrist with Velcro closure provides a personalized fit.

Materiel

- Goatskin leather palm padded with foam at pressure points
- Breathable polyester 4 ways stretch back and half-fingers

Care and washing instructions

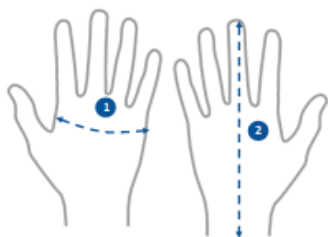

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a soft, damp cloth, removing any dirt
- Clean with a cloth and a mild soap that contains natural grease (e.g. Marseille soap)
- Air dry only
- Do not iron
- DO NOT clean with harsh soap as this removes natural oils from the leather and makes it more rigid

Size chart

MKS155

Size Kosto *			S	M	L	XL	2XL
1	Width (hand)	cm	10	10.5	11	11.5	12
		po / in	3.9	4.1	4.3	4.5	4.7
