### Care and washing instructions

A good way to keep leather gloves longer is to clean them regularly.

- Clean with a cloth and a mild soap that contains natural fats (e.g. Marseille soap)
- Clean with a soft, damp cloth, removing any dirt
- Air dry only
- Do not clean with hard soap as it removes the natural oils from the leather and makes it stiffer.

### Sizing Chart

Size Kosto *			Universelle
1	Width (hand)	cm	13
		po / in	5.1
2	Length (glove)	cm	23
		po / in	9

\* The measurements are those of the product.

\* A fitting is always recommended.
