### Instructions for use

Storage and handling conditions for wipes :

- Keep containers tightly closed in a dry, cool, well-ventilated place.
- Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin and eyes. Keep out of reach of children.

### Daily care

- Instructions for use: Open package and remove one wipe. Remove dust and debris from equipment.
- Open the wipe and clean. Let equipment dry (approximativement 1-2 minutes). Avoid contact with eyes.

### Respirator Maintenance Checklist

- Inspect respirator before and after each use and when cleaning.
- Inspect devices intended for emergency use at least once a month, and before and after each use.
- Replace any cracked, torn, broken, worn or missing part.
- Follow manufacturer's instructions and refer to CSA Z94.4-11 (R2016), Selection, Use and Care of Respirators.
