

Model: TSHG Sash-Belt

TSHG33

TSHG32

Description:

The TSHGV Sash-Belt is a series of sash belts (traffic harness) that is specifically made for low risk environments. It is equipped with a 1-1/2" Dyna-Lite retro-reflective elastic material. This series offers the choice between a silver/orange belt or a silver/yellow-green belt. The sash-belts are equipped with adjustable buckles.
