Navy

Description

Lightweight FR protection built for the long shift. At just 4.7 oz, the FR PRO® Plus fabric stays breathable and easy to move in while delivering PPE Category 2 protection against both arc flash and flash fire, rated 9 cal/cm². A button-down collar, dual flap chest pockets with a pencil division, and bar-tacked stress points keep it professional and jobsite-ready, while the textured weave adds durability and all-day comfort. Serious protection that never feels like it.

- 2 chest pockets with flaps and button closure
- Pencil slot at both pockets
- Front and cuffs with button closure
- Button-down collar
- Soft, lightweight and flame retardant fabric
