Description

The Technical Fleece Pullover Hoodie is designed for comfort, style, and functionality. With a regular fit and midweight fleece, this hoodie is perfect for cooler temperatures or layering up when you need that extra warmth. Quick-drying and highly breathable, it keeps you comfortable no matter the activity. The kangaroo front pocket and attached three-piece hood with drawcord closure provide added convenience and versatility. Featuring a bold BIG BILL® graphic logo on left sleeve, thumbhole cuffs, and reinforced back neck tape, this hoodie blends performance and style effortlessly. Perfect for work or play, it's a must-have addition to your wardrobe.
