Softshell Jacket with 4-inch Segmented Reflective Tapes

VMK225

Description

Designed for visibility, comfort, and freedom of movement, this softshell jacket is made from 100% polyester stretch ripstop fabric with a TPU membrane and microfleece backing. Its 5,000 mm waterproof rating helps protect against the elements, while its 4-inch segmented reflective tapes enhance visibility. Stretch cuffs, an elastic waistband, and an extended back provide a comfortable fit for everyday wear.
