Safety Glasses, Mercy Series

YLU074

Description

These OTG (over-the-glass) safety glasses are designed to be worn over prescription glasses and are perfect for modern frames. These OTG safety glasses are made from shatterproof polycarbonate with side shields. They feature adjustable temples, with adjustable length for greater comfort. The scratch-resistant lens filters out over 99.9% of harmful UV rays.

Material

- Material: Polycarbonate
- Lens thickness: 2.00mm
- Weight: 35g

Lens Coating

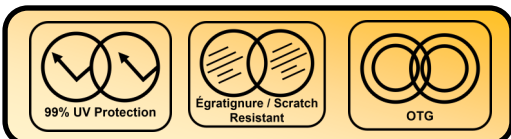

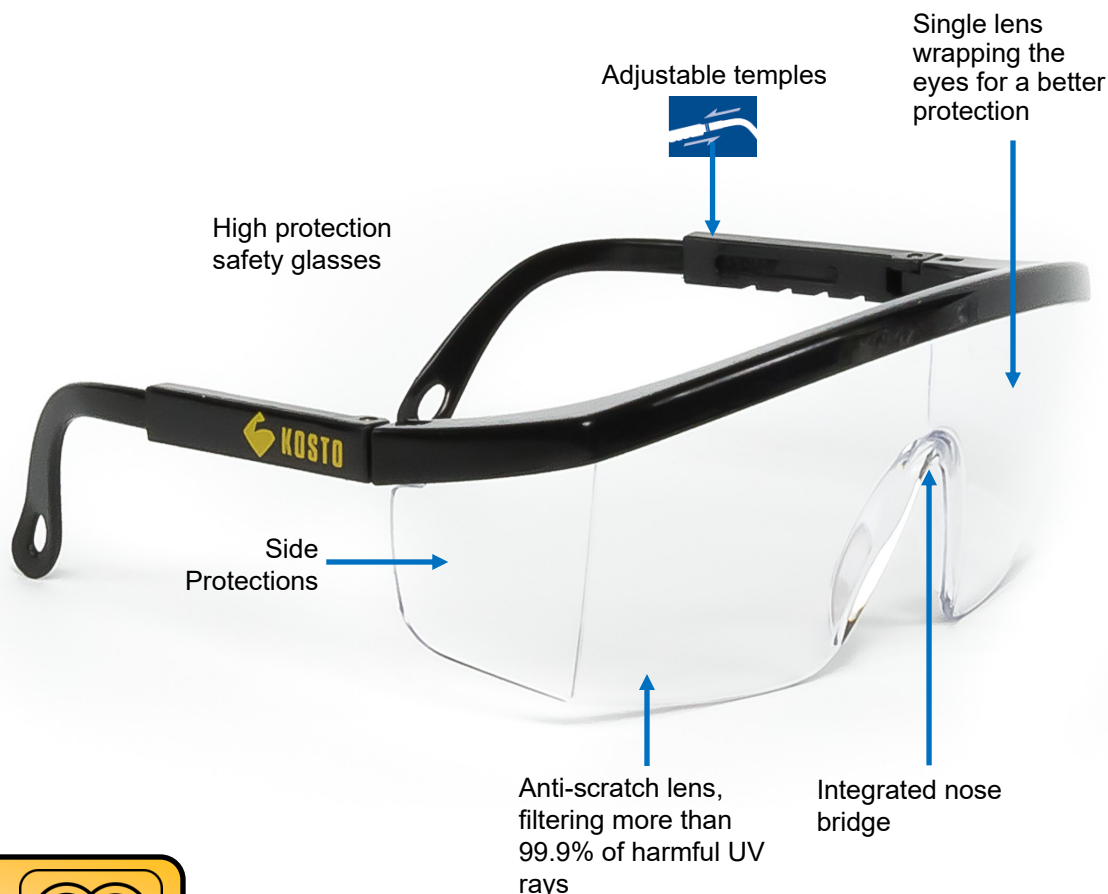

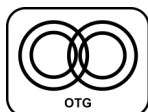

- UV Protection (99.9%)
- Scratch-resistant

Certification

- CSA Z94.3
- ANSI Z87.1

Care and Cleaning

YNK001
Washing station

YNK002
Towel

Glasses should be clean daily

- Use Kosto cleaning products, YNK001 and YNK002 for better results
- Or clean lens with running water and mild soap free of wax and grease (which may interfere with anti-fog properties) and rinse the lens with clean water, shake off excess water and air dry .
Handle with care so as not to scratch the lenses to avoid damaging vision and weakening the lenses.
Store them in a clean, dry place where they cannot fall or be crushed.
