BUILT STRONG • BÂTI SOLIDE

### Lens Clean Station

**YNK001**

#### Description

This eyewear cleaning station is designed for factories, workshops, clinics, schools, laboratories and wherever workers wear protective eyewear. It allows for quick cleaning of protective eyewear, without scratching the lenses or damaging the anti-fog, anti-reflective or anti-scratch coatings. The station includes an opening for the 2 boxes of cleaning wipes and an opening for the 8oz bottle of cleaning solution.

#### Material

- 2 boxes of 300 wipes,
- 1 8oz cleaning spray bottle antistatic and anti-fog formula

#### Certification

- See MSDS for more information on the content of the cleaning solution

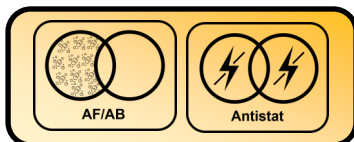

Silicone-free  
cleaning solution

Wet wipes don't  
scratch the lens  
surface

Remove dirt  
quickly

### Care and Cleaning

**Storage and handling conditions for wipes and 8oz bottle of cleaning aerosol:**

- Keep containers tightly closed in a dry, cool, well-ventilated area.
- Handle in accordance with good industrial hygiene and safety practices. Avoid contact with skin and eyes. Keep out of reach of children.

**Glasses should be clean daily**

- Use Kosto cleaning products, YNK001 and YNK002 for better results
- Or clean lens with running water and mild soap free of wax and grease (which may interfere with anti-fog properties) and rinse the lens with clean water, shake off excess water and air dry .  
Handle with care so as not to scratch the lenses to avoid damaging vision and weakening the lenses.  
Store them in a clean, dry place where they cannot fall or be crushed.
